

# 2011 – 2012 Curriculum Guide for Seventh Grade Vocabulary

---

## Organization and Content

This one-semester course teaches students to analyze the basic Latin roots, prefixes, and suffixes of 360 vocabulary words

- Students are provided the basic Latin roots and affixes, which are then used to analyze individual vocabulary words for their meaning
- Eighteen individual lessons are divided into four assignments for each lesson
  - Matching vocabulary words and their definitions
  - Identifying the Latin roots of vocabulary words
  - Identifying the vocabulary word given the meanings of its root and affixes
  - Matching a vocabulary word with its correct definition

## Assessments

- Weekly tests are administered

## Textbook

- *Vocabulary*, by Frode Jensen, Grants Pass, OR: Wordsmith's, 1992.
